CHRISTMAS EQUINE DAY

Combine Christmas Shopping alongside Practical and Interactive Demonstrations.

A great day out!

Welcome to our inaugural festive equine day. Jointly hosted by H&C Pearce and the Wendover Heights Equine Team, we invite you to a day which combines practical demonstrations and interactive clinics on a number of equestrian topics. Add Christmas shopping, a glass of mulled wine and we think it is the perfect recipe for a good day out!

H&C Pearce will launch its new rug range with advice on correct fitting, plus key equine suppliers will be available to talk through any queries horse owners have on a one-to-one basis. The Equilibrium Products company, Equitity Training Banner company plus Oliver Harbour (local rural artist) will be on site too just for this special day. With a range of Christmas presents, stocking fillers and a new pet range too, there promises to be something for everyone!
